## OUR VAN COMES TO YOU!

We provide a FREE service that comes to you, whether it be at a retirement village, nursing home, charity organisation or sporting club!

### WHO WE ARE:

We are a mobile fashion van that comes to you. Our van is stocked with good-quality clothing at affordable prices. We pride ourselves on delivering the best possible shopping experience that makes shopping easy and convenient for our customers.

We cater for Women's sizes 8-26 in a range of styles and the latest trends. We have shirts, tops, vests, pants, cardigans and jumpers. Some of the brands that we stock include Jillian, Sportswave, Vivid and many more.

### WHAT WE DO:

We come to you at your event or residence, once there we can 'set up like a shop' for customers to browse or if your are looking for a bit more fun, we can put on a 'Fashion Parade'. You supply the models and we will provide the fashion and together we can create a special event for Everyone!

We will come to your fundraiser/charity event and to assist in your cause we can donate 'lucky door prizes'.
